Parking at Princeton University
If driving to Jadwin Hall, there are several parking options.
   a) There are limited visitors’ parking spots directly in front of Jadwin Hall.
   b) There are limited visitors’ parking spots in Lot 5, located on Ivy Lane (near Peyton Hall) on your immediate right, in the first aisle, after you turn into the parking lot.
   c) There is nearly unlimited parking in Lot 21. In Lot 21, park in a spot closest to the road you entered from and that is NOT labeled for any other reason, such as athletic parking. You do not need a permit. From there you can walk or take the shuttle to Jadwin Hall.

LOCAL DRIVING DIRECTIONS
To park directly in front of Jadwin Hall:
From Route 1, Exit onto Washington Road TOWARDS PRINCETON.
   • Stay on Washington Road driving over a bridge and through the traffic light (crossing over Faculty Road.)
   • Make the first right hand turn that you can into the driveway directly under the pedestrian bridge. You will enter the loading dock area for Jadwin Hall and main entrance to the Frick Chemistry Building.
   • Continue driving straight towards the football stadium and follow the road around, which will curve towards your left. You should be driving along the football stadium (on your right) and Jadwin Hall will be on your left.
   • Make a sharp left hand turn into the driveway that takes you into the very small parking lot directly in front of Jadwin Hall. Park in an UNMARKED spot or you will get a ticket.
   • If you get to Peyton Hall (Astrophysics building with arched windows) then you have gone to far.

To park in Visitor’s Lot 21—Corner of Faculty Road and Fitz Randolph Road
Visitors should park in Lot 21 located on the corner of Faculty Road and Fitz Randolph Rd.

From Route 1, exit onto Washington Road TOWARDS PRINCETON (571 West)
   • Stay on Washington Road (driving over a bridge), and
   • Make a right at the first traffic light onto Faculty Road and continue straight.
   • At the next corner, make a left onto Fitz Randolph Road and then take the first left turn into Lot 21.
In Lot 21, park in a spot closest to the road you entered from and that is NOT labeled for any other reason, such as athletic parking. You do not need a permit.

From Lot 21 you can take the shuttle bus (Red or Black Lines) to the “South Campus” stop on Washington Road and walk a few yards to enter Jadwin Hall.
http://www.princeton.edu/transportation/TTRouteMap.pdf

Or, walk towards the football stadium and Jadwin Gym and walk around the stadium and past the Chemistry Building to Jadwin Hall, or enter the stadium by walking up a flight a stairs. Then walk straight ahead on the Football Stadium concourse adjacent to the track (see attached map) across to the other end of the stadium and when you exit, you will be facing Jadwin Hall, a brown brick building. PCTS is located on the fourth floor. Attached are several maps to help you follow these directions.
